

BUCKLANDS BEACH INTERMEDIATE

Beginning of Term 3 2018 NEWSLETTER

Nau mai.
Welcome back.

We at BBI, hope everyone has had some family time over the holidays.

It is with pleasure that I return after my sabbatical leave. The main focus of my term away from BBI was to research further into Social/Emotional Well-Being and Resilience. My thanks needs to be expressed to the school board of trustees, support staff and deputy principals for leading and maintaining the school so successfully.

As we move forward, Term 3 brings about some big events. Student led conferences, international visitors, Koanga celebrations, AIMS games, fundraisers and our Fiji group visit.

Please book an appointment online as you would with the regular teacher conferences or alternatively email mailbox@bbi.school.nz to schedule a time. I would be more than happy to meet with any families.

Further newsletters will be sent out as usual on the first working day of each month.
Best wishes for the term ahead.
